1. Receipt for entry
2. Contest Information
3. A damaged leather sample

The TOP of each damaged leather sample will contain an identification number written on tape.

The damaged leather sample will have two holes in it and you are to repair / restore the holes on the TOP SIDE only. The tape with the identification number must not be removed and or altered in any way whatsoever during the repair and or restoration process. The identification tape must be in place when the repaired sample is returned to Mobile Tech Expo. 3. Grain / Texture
4. Flexibility
5. Durability

Completed entries of the repaired / restored leather samples must be at the Mobile Tech Expo offices no later than December 31, 2011.

You may enter as many different vehicles and or trailers as you like. However, each entry requires a separate entry form, photographs and \$20.00 entry fee.

You can mail your entry by U.S. Mail, Federal Express, or UPS. However, please remember the contest dates and that entries received after December 31, 2011, will not be in our hands in time for processing.

Remember, Mobile Tech Expo is not responsible for delays in transit so enter early. It is the responsibility of each entrant to comply with the stated rules, including sending in all of the materials as specified and to follow all contest rules and cut off dates.

The contest is open to all Leather Restoration Specialists in both Wholesale and Retail.
